Dear Mr. Mason

Nov 30<sup>th</sup> 1937

I hope you will pardon me troubling you but I have had many requests from Club members & residents of Bostock Green to apply for a Telephone Kiosk to be installed on Bostock Green & as I was given to understand yesterday that the matter is to be brought forward at the next Committee Meeting I feel I should let you know as I think myself this is a Parish Council affair & I should not like to move on the matter without your permission.

I have promised to do what I can & find out if it would be possible to have a Kiosk providing Capt France-Hayhurst is agreeable but I have thought the matter over & I am letting you know first before doing anything further, probably you will kindly let me know what you think about it so as to enable me answer any further inquiries.

Yours very truly  
C. H. Oram
