Dear Sirs,

Re: Telephone Box - Bostock Green

It was agreed at the Council Meeting held on 20th January 1992 to ask you to remove the Pay Telephone Box situated in the centre of Bostock Village.

Bostock has an electoral role of 73 and all households but one have a private telephone.

Bostock Telephone Box is primarily used by heavy transport lorry drivers coming from or going to Winsford Industrial Estate. These lorries cause danger when parked in the village and the drivers cause inconvenience to the residents by constantly asking for change. There is a public telephone box on Winsford Industrial Estate.

If you require any additional information please contact the undersigned.

We look forward to hearing from you.

Yours faithfully

C Hunter (Mrs)
Clerk Bostock Parish Council
